Pursuant to Rules 7026 and 7033 of the Federal Rules of Bankruptcy Procedure, the ResCap Borrower Claims Trust (the “Borrower Trust”), by and through its undersigned counsel, hereby objects and responds to the Claimant’s First Set of Interrogatories (the “Interrogatories”), dated November 20, 2015.

GENERAL OBJECTIONS

1. The Borrower Trust objects to the Interrogatories to the extent that they seek to impose a burden or obligation beyond those required or permitted by the Federal Rules of Bankruptcy Procedure, the Local Rules of this Court, other applicable law, or any orders of the Court.

2. The Borrower Trust objects to the Interrogatories to the extent they are overly broad, unduly burdensome or seek information that is not relevant to the outstanding disputed issue of fact defined by the Bankruptcy Court in this litigation, or are otherwise outside the scope of discovery permitted by the Federal Rules of Bankruptcy Procedure. The Borrower Trust also objects to the Interrogatories to the extent they are vague and ambiguous.

3. The Borrower Trust objects to the Interrogatories to the extent they seek information that is protected by the attorney-client privilege, that is protected by the work product doctrine, that was prepared in anticipation of litigation, that constitutes or discloses the mental impressions, conclusions, opinions, or legal theories of any attorney or other representative of the Borrower Trust concerning this or any other litigation, or that are protected by any other privilege or doctrine. To the extent that the Interrogatories call for information protected by the attorney-client privilege, attorney work product immunity, or other privileges or immunities, such information will not be provided.

4. The Borrower Trust objects to the Interrogatories to the extent they purport to require the Borrower Trust to provide information outside its possession, custody or control.

5. The Borrower Trust objects to any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories. The Borrower Trust's responses are not intended to mean that the Borrower Trust agrees with or accepts any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories.

6. The Borrower Trust has not completed discovery or preparation for the evidentiary hearing in this litigation and reserve the right to rely upon any evidence subsequently discovered or that may otherwise come to light during discovery. The Borrower Trust expressly reserves the right to supplement or amend these responses if and when any such additional information is ascertained. These responses are made by the Borrower Trust subject to and without waiving the Borrower Trust's right to introduce, use, or refer to information that the Borrower Trust presently has, but that the Borrower Trust has not yet had sufficient time to analyze and evaluate, as well as the Borrower Trust's right to amend or supplement these

responses in the event that any information previously available to the Borrower Trust is unintentionally omitted from these responses.

7. The Borrower Trust objects to the Interrogatories to the extent they seek answers to questions that relate to time periods outside the period relevant to this Litigation. The Borrower Trust will produce documents related to the period that the Mortgage Loan was serviced by the Debtors: November 2006 through April 2008.

8. These responses are made without in any way waiving or intending to waive:

- (i) any objections as to the competency, relevancy, materiality, privilege, or admissibility as evidence, for any purpose, of any information provided in response to the Interrogatories or the subject matter thereof;
